This document constitutes a legally binding Liability Waiver and Disclaimer between the undersigned client and Jones Performance Group LLC. Read each section completely before signing. By submitting this form, you acknowledge that you have read, understood, and agreed to all terms contained herein.

SECTION 2 — HEALTH & MEDICAL DISCLAIMER

JPG IS NOT A MEDICAL PROVIDER

Doug Jones and Jones Performance Group LLC are not licensed physicians, medical doctors, nurses, or registered dietitians. No content, programming, communication, or coaching provided by JPG constitutes medical advice of any kind. Nothing communicated verbally, in writing, digitally, or through any JPG platform should be interpreted as a diagnosis, treatment recommendation, or medical opinion.

MEDICAL CLEARANCE REQUIRED

Clients must consult a licensed medical professional and obtain clearance before beginning any fitness, nutrition, or performance program offered by JPG. By signing this document, the client confirms they have done so or assume full responsibility for participating without doing so.

☐ I understand that JPG does not provide medical advice and I have consulted or will consult a licensed medical professional before beginning any fitness or nutrition programming.

SECTION 3 — MENTAL HEALTH DISCLAIMER

COACHING IS NOT THERAPY

JPG coaches are not licensed therapists, psychologists, psychiatrists, or mental health counselors. Coaching provided by JPG is performance and accountability-based and does not constitute mental health treatment, psychological evaluation, or clinical intervention of any kind. JPG is not licensed or qualified to diagnose, treat, or evaluate any mental health condition.

MENTAL HEALTH SUPPORT

Clients experiencing mental health challenges — including but not limited to depression, anxiety, trauma, substance dependency, or any condition requiring clinical support — must seek qualified professional care. JPG coaching is not a substitute for clinical mental health treatment.

- ☐ I understand that JPG coaching is not therapy or mental health treatment. If I am experiencing mental health challenges, I will seek qualified clinical support separate from my JPG program.

SECTION 4 — RESULTS DISCLAIMER

NO GUARANTEED OUTCOMES

Results achieved through JPG programs vary based on individual effort, consistency, adherence, and personal circumstances that are outside JPG's control. No specific outcome, result, transformation, or achievement is guaranteed by Jones Performance Group LLC or any JPG coach. Client testimonials and case references represent individual results only and do not imply guaranteed or typical outcomes for any other participant.

- ☐ I understand that JPG does not guarantee specific results. I accept that my outcomes are determined by my own effort, consistency, and execution.

SECTION 5 — ASSUMPTION OF RISK

INHERENT RISK ACKNOWLEDGMENT

Physical training, performance programming, and personal development activities carry inherent risk of physical injury, discomfort, or adverse outcomes. By participating in any JPG program, the client expressly assumes all risk associated with fitness programming, performance training, mindset work, and personal development activities undertaken as part of any JPG engagement. This assumption of risk is voluntary, knowing, and made with full understanding of the nature of the program.

FITNESS TO PARTICIPATE

The client confirms they are physically and medically fit to participate in the JPG program at the time of signing this waiver. The client accepts full responsibility for monitoring their own physical condition during program participation and agrees to immediately discontinue any activity that causes pain, injury, or concern, and to seek medical attention as appropriate.

- ☐ I expressly assume all risk associated with my participation in any JPG program. I confirm I am physically fit to participate and accept full responsibility for my own safety during all program activities.

SECTION 6 — LIABILITY LIMITATION

LIMITATION OF LIABILITY

Jones Performance Group LLC total liability for any claim arising from coaching services, program participation, or any JPG engagement is strictly limited to the total fees paid by the client in the 30 days immediately preceding the claim. Under no circumstances shall JPG be liable for indirect, incidental, consequential, special, or punitive damages of any kind, regardless of whether JPG has been advised of the possibility of such damages.

RELEASE OF CLAIMS

To the fullest extent permitted by applicable law, the client hereby releases, waives, and forever discharges Jones Performance Group LLC, its owner, agents, and representatives from any and all claims, demands, actions, or causes of action arising out of or related to participation in any JPG program, coaching service, or related activity — whether known or unknown at the time of signing.

- ☐ I acknowledge and agree to the limitation of liability stated above. I understand that JPG's total liability is capped at fees paid in the 30 days preceding any claim, and I waive all claims beyond that scope to the fullest extent permitted by law.

SECTION 7 — ACKNOWLEDGMENT & WAIVER

I, the undersigned, confirm that I have read this Liability Waiver and Disclaimer in its entirety. I understand each section and its implications. I am signing this document voluntarily, without duress, and with full understanding that it is a legally binding agreement. I acknowledge that I had the opportunity to seek independent legal counsel before signing and have chosen to proceed. I agree to all terms stated herein and waive all claims within the scope defined above.

☐ I have read this Liability Waiver and Disclaimer in full. I understand and agree to all terms. I am signing voluntarily and with full knowledge of the implications.
